- Richard III, Act V, Scene 4, lines 1- 41

“You know, I have fun painting because I’m not worried about what somebody thinks about it...I am painting because I enjoy painting. And It was that way with ‘Looking For Richard.’ If somebody could get something from it, great. But If not, nobody ever had to see it. And that’s relaxing.”

Al Pacino (ref 1: page 13)
