## Seminar "Corruption in Latin America: What Do We Know, How Do We Measure It, and How Can We Combat It?"

Date: 11 Dec 2012

Time: 9:30 AM

Location: 1330 New York Ave., NW, Washington, DC \* Room CR3, United States

**Prior registration required (link on the left side)**

**Webcast will be available the day if the event:**

Who are the victims of corruption? How do we measure the incidence of corruption in the public sector? What mechanisms are countries implementing to reduce corruption? By combining presentations from experts in victimization and measurement with those of policymakers who are making advances in the fight against corruption, this seminar will answer these questions (and hopefully, many others).
