Buy a Bale of Cotton

Buy a bale of cotton at ten cents a pound.

Hold it until it brings a better price.

Buy it direct from the man who raised it.

Never mind about classing it. All the crop is good cotton.

Store it if you want to, or take it home and keep it.

The buy a bale movement is sweeping through the south. The total amount of cotton thus taken on the market will amount in the aggregate to an enormous sum.

The buy-a-bale movement will give the farmer some of the readv

It will take a considerable part of the crop off the marks:.

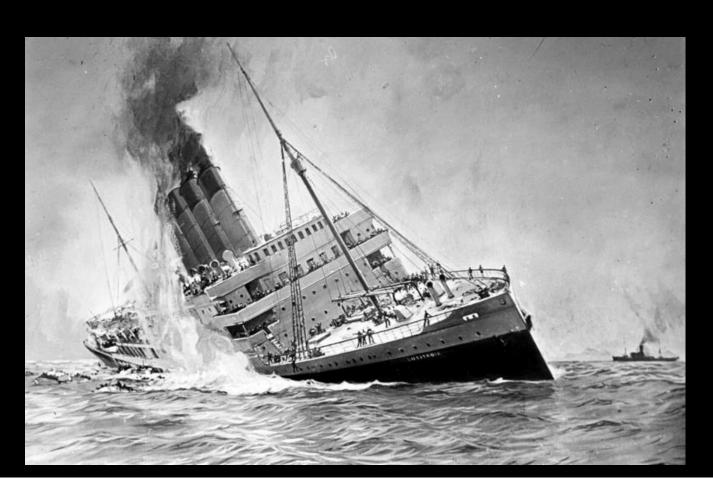

It will put some monor in eliculation,

It will encourage the furmer to hold the remainder of his crop.

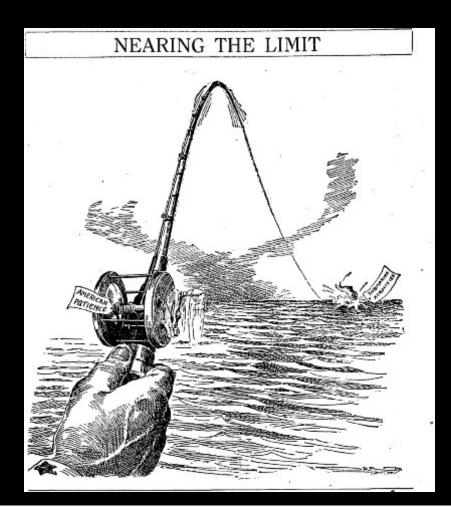

It will show the farmer that the people in the city want to help him.

If you buy a bale of cotton, it will be a good investment for you directly and indirectly,

MARCH FOR PEACE, WASHINGTON, D. C.

1915

Ten million soldiers to the war have gone, Who may never return again. Ten million mothers' hearts must break, For the ones who died in vain. Head bowed down in sorrowin her lonely years, I heard a mother murmur thro' her tears:

I didn't raise my boy to be a soldier,
I brought him up to be my pride and joy,
Who dares to put a musket on his shoulder,
To shoot some other mother's darling boy?
Let nations arbitrate their future troubles,
It's time to lay the sword and gun away,
There'd be no war today,
If mothers all would say,
I didn't raise my boy to be a soldier.

What victory can cheer a mother's heart, When she looks at her blighted home? What victory can bring her back, All she cared to call her own? Let each mother answer in the year to be, Remember that my boy belongs to me!

1st Tennessee Woman to Enlist May 1917 ATTENTION! Sick Women

To do your duty during these trying times your health should be your first consideration. These two women tell how they found health.

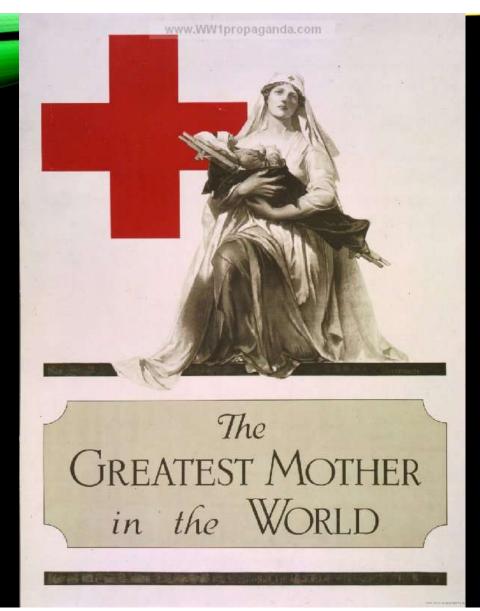

Hellam, Pa.—"I took Lydia E. Pinkham's Vegetable Compound for female troubles and a displacement. I felt all rundown and was very weak. I had been treated by a physician without results, so decided to give Lydia E. Pinkham's Vegetable Compound a trial, and felt better right away. I am keeping house since last April and doing all my housework, where before I was unable to do any work. Lydia E. Pinkham's Vegetable Compound is certainly the best medicine a woman can take when in this condition. I give you permission to publish this letter."—Mrs. E. R. CRUMLING, R. No. 1, Hellam, Pa.

Lowell, Mich.—"I suffered from cramps and dragging down pains, was irregular and had female weakness and displacement. I began to take Lydia E. Pinkham's Vegetable Compound which gave me relief at once and restored my health. I should like to recommend Lydia E. Pinkham's remedies to all suffering women who are troubled in a similar way."—Mrs. Elise Heim, R.No. 6, Box 83, Lowell, Mich.

THE LITERARY DIGEST

CONSCIENCE PLUS RED HAIR ARE BAD FOR GERMANS

THE biggest reception yet given to any returning American soldier greeted a big bashful American mountaineer, with hair red enough to satisfy anybody who believes that redheads make the best fighters, who reached New York from France, the other day, to be hailed both by many of his fellow citizens of Tennessee and by the newspapers at large as the greatest hero of the war. Part of his heroism was his honesty in changing his convictions when he was convinced that he was wrong, for Sergeant Alvin C. York was a member of that strict religious sect, the Church of Christ and Christian Union, and hence was a
